

Introduction

It was my honour to serve as the President of Kowloon North for 2015-16. My sincere thanks was particularly extended to my predecessor PP David Bruce who offered his experience and inspirations on his presidency, to enable me to have the confidence and preparations to serve my dearest Rotarians of Kowloon North.

The Rotary theme of the year was 'Be a Gift to the World'. The RI President of 2015-16 K. R Ravi said in a speech in 2015, "All of you have been given so many gifts. And you have now been given this great gift: one year to take all your talents, all your gifts, everything that you are and can become -- and Be a Gift to the World," All of us who are part of the Rotary Club of Kowloon North are unique gifts to our Club, our community and to the World. Throughout the Rotary Year of 2015-16, we successfully unleashed our potentials and turned them into reality, by continuing to work on the signature projects of the Club which we dedicated tremendous efforts into. A summary of our activities for my year of Presidency has been illustrated in a video with the YouTube link as below.
