

President Report 22-23 by Angela Wong

My second term of presidency started with a great challenge of catching Covid on the day of my club installation early July. Covid-19 was still a major issue at the first half of our rotary year due to many restrictions of social gathering. Fortunately our district and my club were still able to achieve quite a significant number of projects.

Below is the brief summary of my rotary experience during 2022-23.

1. Club level

We have 3 new members joining our club, Reed Li, Merih Dale and Marilyn Chiang.

We donated HKD 45,000 and HKD 63,000 to Shelterbox UK for relief of Pakistan flooding and Turkey-Syria earthquakes.

Our club is recognized as a peace-building and EREY (Every Rotarian Every Year) club.

We continued to sponsor 19 children in Outer Mongolia for their education via Christina Noble Children Foundation.

Our nominated school, St. Mary's *Canossian* College, won the championship at Outstanding Student Service Ambassador Award hosted by the district.

My club installation was postponed to 16 Sep 22 and we had a few joint meetings with RC Kowloon, Peninsula East, Homantin Hill and Elite Orient as well as a joint Area 7 DG visit dinner mid October 22.
